PROFESSIONAL EXPERIENCE

BehaviorMatrix

North Wales, Pennsylvania

Associate UI Developer

June 2015 – August 2017

- Designed and wrote functionality for SmartView, an emotional analytics SaaS platform which provides enterprise solutions through brand equity assessment, market landscaping, competitive intelligence, and deep insights into different markets
- Architected and implemented the front-end web client leveraging modern tooling- Node.js, Karma, Webpack, and Angular
- Interacted with the CEO, CPO, and sales team to define and build the platform to provide customer-tailored solutions
- Worked with the CPO in evaluating big data vendors, consultants, and other services to make informed buying decisions
- Successfully deployed accounts for the emotional analytics platform to clients from many different organizations
- Phone-screened and interviewed over 25 software engineer candidates, assessed their skills, and assisted in the decision-making process for selection of new hires, resulting in the addition of 2 successful software engineers to the product team

Chompix

Philadelphia, Pennsylvania

Founder, Developer

December 2012 – July 2014

- Successfully developed 4 mobile applications distributed via iTunes, Google Play, and Github to over 40,000 retained users
- Generated a total of \$3,285.00 in revenue via sales of in-app purchases and advertising through the Google AdMob platform
- Received over 4,500 positive user reviews across all applications and over 175,000 total downloads
- Marketed the apps via viral videos which received over 1,650,000 cumulative views and over 6,900 subscribers on YouTube

Globide

Philadelphia, Pennsylvania

Founder, Producer

February 2006 – October 2009

- Cold-emailed, pitched, and sold distinct professionals on appearing in podcast interviews via phone calls and Skype, resulting in over a year's worth of weekly content with different guests, ranging from scientists to authors and more
- Cold-emailed, pitched, and sold other podcasters, producers, and organizations, on promotional ad exchanges, which resulted in over 300 registered website users, over 1,000 subscribed listeners, and over 7,500 user contributed forum posts
- Implemented content management systems, incorporating Wordpress, Drupal, SMF, and IPBoard for blogs and user forums
- Set-up a toll-free line and took listener phone calls while broadcasting live to answer questions, hold discussions, and ultimately increase listener engagement, resulting in numerous guest appearances and segments with actual podcast listeners

LEADERSHIP EXPERIENCE

Alpha Kappa Lambda Fraternity

University Park, Pennsylvania

Member, Assistant Social Chair, Webmaster

October 2009 – August 2012
